50th Anniversary Celebration

In celebration of its 50th anniversary of publication, the *ISU Veterinarian* sponsored a reunion of former editors and business managers. It was held on Saturday, June 4th in conjunction with Alumni Days and hosted by members of the *ISU Veterinarian* current staff. Lunch was served, along with ample time for reminiscing. Dr. Allen Packer, an avid historian and member of the Microbiology Department, presented an informative and enter-

taining history of the ISU College of Veterinary Medicine. He highlighted some of the illustrious people and landmark events in the college's history by means of a slide show and several anecdotes. His stories sparked memories and a round of other stories from the alumni present much to the enjoyment of the current *ISU Veterinarian* staff. Although attendance was less than anticipated, everyone who came had an enjoyable time.

Dr. Packer entertains guests with bits of Veterinary College history.
